

## Unit 2: Combination Illustration

### Project Plan

<https://www.crimsonart.net/combo-illustration.html>

1. From the options described on Crimsonart.net > Courses > Drawing B > Combination Illustration, and listed below, what will you draw? Check off one of the boxes from the lists below.
2. What will be the main idea behind your drawing? Why do you intend to create this? If Option 4, what will you draw and why?
3. How will you incorporate what you've learned so far from the practice exercises into your final composition? What textures will you explore?

#### Option 1: Fan of Fiction & Fantasy!

Create a creature or character from the combination of 3 of the following subject matter imagery.

Machinery	Urban Landscape
An animal	Elemental
Nature	Technology

Research and use actual photos of these things.

#### Option 2: Cut it Up & Make it New!

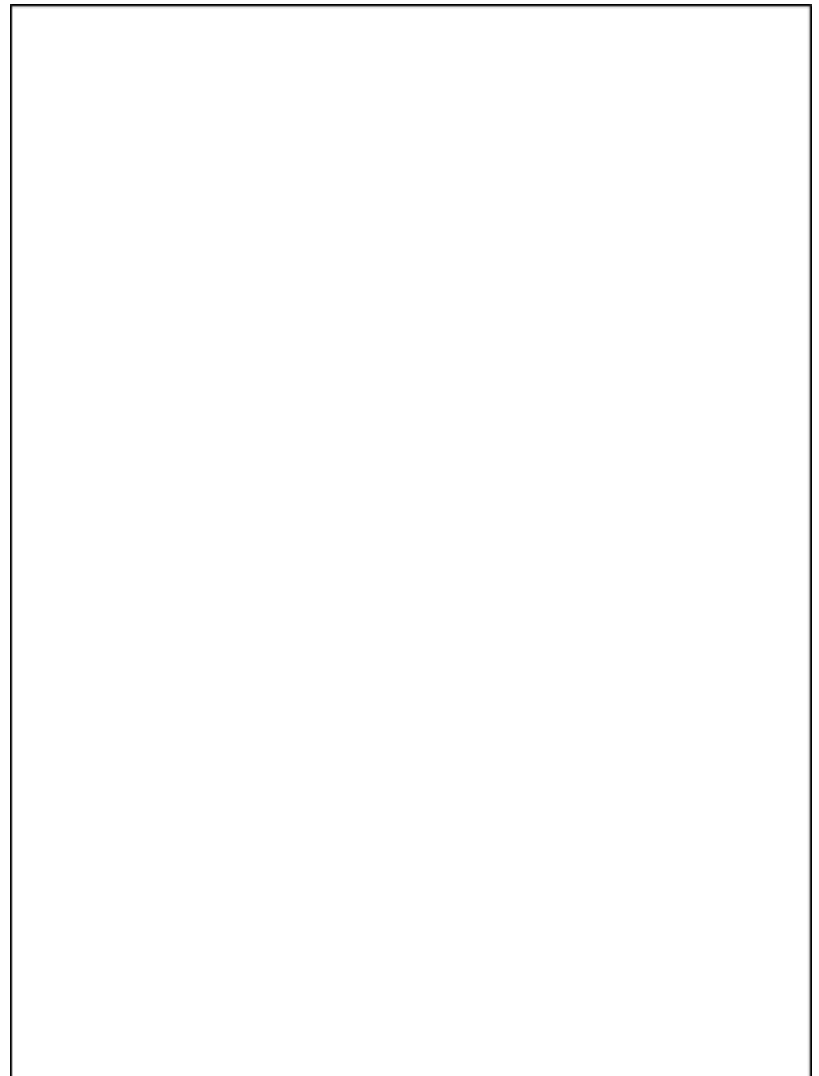

Possible Topics

- self image
- pop culture
- taboo culture
- technology
- fantasy

#### Option 3: Take a Stand!

Take a stance on a subject of concern. What are you passionate about? What concerns might you have about the world around us or our place in it?

Combine drawn imagery to illustrate your narrative.

#### Option 4: You the Artist, You Think it Up!
