

## Unit 3 – Plush Concrete

### Project Investigation & Plan

Investigate:

What is a hybrid?

What does it mean to make a hybrid art form?

What is form when referring to art?

Why is it better to have variety and complexity in art or life?

Why is it good to experiment?

What is the difference between the world of art and real life?

Plan:

Think of an example of each of the following prompts and write it in the space provided:		
<b>Pop Culture</b> Don't know any? Use the internet for research	<b>Social Issue</b> Don't know any? Use the internet for research	<b>Metaphor</b> <b>(Ex. The girl is a rock)</b>
Describe the characteristics and attributes of each of your ideas above.		
Describe the characteristics and attributes of your chosen plush toy(s).		
Brainstorm ways of creating a hybrid of your plush toy(s) and each of your descriptions from above. What will it look like? Will you combine two or more "Plush Concrete" things together? Will you create your own forms to later add to the "plush toy"? Will you use other materials along with your "Plush Concrete" to communicate your sculptural message?		
Circle the box with your best idea.
